

The Business Ethics Journal Review is a new, peer-reviewed academic journal, aiming to combine the best of old-world scholarly publishing with the best of Web 2.0.

[BEJR](#) will publish short, peer-reviewed Commentaries on business ethics articles published in the standard, hard-copy academic journals. Every Commentary will be published on BEJR website, in high-quality PDF format. And every Commentary will be followed by a Comments section, to allow the broadest possible participation in discussion.
