### Review

"Accounting Ethics is a book for our troubled times. The Duskas provide a basic primer on ethics for accounting that is helpful to accountants and non-accountants alike. They deftly weave the saga of Enron and Arthur Andersen through a practical and realistic presentation of accounting ethics."

--Thomas W. Dunfee, The Wharton School, University of Pennsylvania

"This book is a long awaited and significant contribution to business ethics. At last, a book that addresses the full range of accounting, tax, and audit issues, integrating the perspective of the accounting profession with that of a trained ethicist. This is a must-read for everyone in the accounting profession and in business ethics. Bravo Duskas!"

--Patricia H. Werhane, Darden Graduate School, University of Virginia
