MINES ParisTech, the University of Paris 1 Pantheon-Sorbonne, the Paris School of Economics jointly organize an academic conference on the economics of Corporate Social Responsibility (CSR) on 9-10 June in Paris. The conference is open to all interested researchers in the economic analysis of CSR practices and concepts.

More information about the conference and call for papers can be found at [World Conference Calendar](#) under the category of Ethics. Or directly here: [The Economics of CSR](#)
